

Boulder Integrated Health Seeks Additional Therapists to Bolster our Amazing Clinical Team

As we embark on another new year, we continue to look to improve our team and stay current with proven and cutting-edge therapeutic approaches that will give our clients the best chance at success. As such, we are committed to providing thorough and substantial support within all our levels of care (partial hospitalization, intensive outpatient, medication management, and outpatient).

Our mission at Boulder Integrated Health is to build rewarding and fulfilling lives for our clients through compassion, connection, and community.

Why Us?

We are located in a beautiful Victorian, historic home in Boulder that cultivates an inviting experience not only for our staff but also for our clients and their families. Our staff has 30+ years of experience in the treatment field and strives to provide clinical care that is current and relative to our clients. We are a small, state-licensed and Joint Commission accredited practice that treats each other like family and wants to build a team that aligns with our supporting culture.

Competitive Reimbursement Package

We understand salary is a deciding factor when considering a new position. Whether you just received your license, or you have been practicing for decades, we offer competitive salary for the care you provide based on licensure, additional credentials, and experience. We also offer PTO and a comprehensive health benefits package.

Available Positions

We are seeking full-time and part-time licensed therapists with experience working with addiction and the family system to apply. Our multi-modal approach to working with mental health and substance abuse has proven successful time and time again. We invite driven and dedicated individuals to reach out to us, and we most certainly look forward to hearing from you!
